

J. D. and Natalie Mangrum moved to Greenville in 2008 to plant Origins Church in downtown Greenville. Both of their sons, Noah and Owen, were born in Greenville. As a direct result from the GBA New England vision tour in 2015, God clearly called them to New England to plant at church. While working through the NAMB Church Planter Assessment Process, they felt God directing them to the oldest neighborhood in Boston— Charlestown.

**ANNIE
ARMSTRONG**
EASTER OFFERING®
anniearmstrong.com

A key emphasis for the North America Mission Board (NAMB) is church planting in 32 SEND cities. Greenville Baptist Association (GBA) entered a partnership with the Baptist Convention of New England and SEND Boston. GBA will plant three churches in ten years. Christ Church Charlestown is our first church plant. J. D. Mangrum, along with his wife Natalie and sons Noah and Owen, moved from Greenville to Boston to plant Christ Church at the end of 2016. Because of your giving to the Annie Armstrong Easter Offering (AAEO) and to the GBA, the Mangrums receive financial support to create access to the gospel in one of the most unevangelized parts of our nation.

PRAY.

- ◇ Please pray the Mangrums will walk closely with Jesus and each other.
- ◇ Pray people in Charlestown would give their lives to Jesus.
- ◇ Pray God will give the Mangrums favor in the Charlestown.
- ◇ Pray God will raise up a core group in Charlestown to become a church.
- ◇ Pray for upcoming GBA projects in New England.
- ◇ Pray for our New England church planters to see at least 600 baptisms in 2018.
- ◇ Pray God will raise up and send 8 new church planters to Boston this year.

GIVE.

Your gifts through the AAEO and GBA are crucial to the ongoing church planting efforts in Boston.

GO.

GBA is taking a team to work with the Mangrums in a major community event June 7-11. To learn more about this opportunity contact the GBA office at 864.242.4330.
